I can't express how happy I am that I chose L'Olmo as our honeymoon destination. Italy is incredibly beautiful, all the food we've had is fantastic, everyone has been so friendly, the entire country is rich with history, and I could go on and on about why I love it here so much. Elena and her husband have been extremely sweet and accomodating in making sure our stay was absolutely perfect. I am extremely grateful for having them as our hosts, and I'm in LOVE with their GORGEOUS House! (Very tastefully renovated and decorated 😊) I can't say enough good things about Italy, this house, its caretakers, and Tuscany Now, but I highly recommend L'Olmo, and would definitely stay here again! I already wish my honeymoon were a week longer ♡ Thank you for everything! Tiffany and Phoebe
